

MOROĞLU ARSEVEN

Berke Yılmaz focuses on intellectual property matters, including trademarks, copyright, domain names, designs, and unfair competition. He assists both domestic and international clients to protect and enforce intellectual property rights.

He assists many well-known brands on both sides of intellectual property conflicts and lawsuits. In order to protect clients' intellectual property portfolios, he takes part in filing oppositions before the Turkish Patent and Trademark Office, collecting evidence of proof of use, assisting during negotiations for consent, coexistence or ownership arrangements, preparing cease and desist letters, managing negotiations for clients and filing lawsuits before the courts.

Berke Yılmaz supports clients in order to prevent counterfeit goods entering into Turkey, by handling seizure proceedings as well as criminal lawsuits including cases that lead to raids and seizures.

Berke Yılmaz supports a broad range of clients, most notably in the information technologies, automotive, luxury fashion, pharmaceuticals, retail, and consumer sectors.

As of 2019, he has started an Information Technology Law LL.M. studies in Bahçeşehir University
