

MOROĞLU ARSEVEN

Gözde focuses on corporate consultancy, as well as companies' day-to-day corporate works and commercial contracts. She works within due diligence teams for significant corporate transactions, such as mergers and acquisitions. Gözde supports public companies with the application of the capital markets regulatory rules and disclosure requirements. She also helps with regulatory compliance questions and programs, covering such issues as corporate governance, capital markets, and company policies.

Gözde assists to prepare corporate documents for foreign and domestic companies' day-to-day corporate governance documents; such as general assembly or board of director's resolutions.

She supports foreign clients for mergers and acquisitions transactions with due diligence activities in various areas and reporting phases.

Gözde assists to prepare and revise commercial agreements for clients, including a full range of day-to-day commercial contracts. Gözde researches and drafts memoranda for clients, helping them understand and navigate Turkish Company Law and Capital Markets Law and regulatory compliance issues, obligations or restrictions.

Gözde supports a broad range of domestic and international companies, most notably in the food, real estate and construction, industrial and manufacturing as well as information technologies sectors.

During her studies, she took lectures regarding comparative law in terms of both German and Anglo-American Law System at several German and US universities with the participation of several foreign visiting professors from around the world.

- Istanbul Bar Association (2018)
- Queen Mary University of London, LL.M (2017)
- Marmara University, School of Law (2016)
- English
- German
