

# MOROĞLU ARSEVEN

İdil Çimen supports the team particularly in addressing corporate consultancy requests from both domestic and international companies focusing on commercial and corporate law matters as well as conducting legal due diligence processes.

Additionally, she is responsible for preparing corporate documents, reviewing commercial contracts, and conducting the legal research necessary to ensure compliance with relevant legislation and corporate consultancy needs.

She conducts research and prepares memoranda to assist clients in addressing their legal issues, obligations, and restrictions under Turkish law.

Çimen mainly contributes to resolving the legal requests of client companies, particularly those operating in the logistics, automotive, and life sciences industries.
