

Moroğlu Arseven and Benan Arseven Recognized by IFLR1000 2014 Rankings for Energy and Infrastructure

11 Jun 2014

Moroğlu Arseven was recognized by IFLR1000 for several aspects of its energy and infrastructure practice areas in 2014. IFLR1000 ranked the firm in Tier 3 respectively for each of Corporate, Finance, and Disputes within the energy and infrastructure sector. It also identified the firm as "*Notable*" for energy and infrastructure Project Development. Partner, Benan Arseven, was identified as a "*Leading Lawyer*" in the energy and infrastructure industry in relation to Disputes, Tax, and M&A matters.

Based on its market research and client comments, IFLR reports Moroğlu Arseven to be a strong independent firm. IFLR1000 continues positively to note that the firm has a strong record in M&A related to energy and infrastructure, as well as project finance, which represents a core area of the firm's banking and finance department. Partner, Benan Arseven, is described as being "*strong in dispute resolution*", while Burcu Tuzcu Ersin and Dr. E. Seyfi Moroğlu are noted as being key figures in the firm.

IFLR1000 is an annual guide to financial and corporate law firms. Beginning in 1990, the research includes over 120 jurisdictions worldwide. 2014 is IFLR1000's first research exercise for energy and infrastructure in Turkey.
