

## Moroğlu Arseven Recognized by IAM Patent 1000 in 2014 Rankings

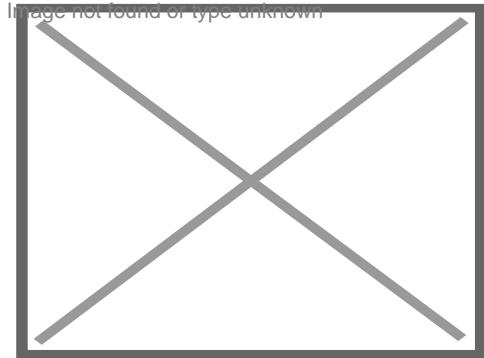

5 Jun 2014

Moroğlu Arseven has been noted as a recommended firm for patent litigation and prosecution by the IAM Patent 1000's 2014 awards.

Based on its research of the Turkish legal market, IAM Patent 1000 noted that "*Few of Turkey's corporate firms can lay claim to credible patent practice, but Moroğlu Arseven is a notable exception*". It went on to say that "*the compact IP team packs a punch and excels on patent-centric commercial work and litigation*."

IAM Patent 1000 noted that the firm's "*ability to balance legal and business concerns sets the group apart from many of the market's boutique operators*". One client commented to the researchers that the firm's lawyers "*always deliver excellent results*."

The annual IAM Patent 1000 awards identify market leading individuals and firms for various aspects of patent law and practice, located in more than 41 jurisdictions around the world. More information about the IAM Patent 1000 research and results can be found on the Intellectual Asset Management website.
