

MOROĞLU ARSEVEN

Sevi assists foreign and domestic companies with a full spectrum of corporate and commercial issues, focusing on corporate obligations, investment transactions, mergers, acquisitions and business establishments. She has significant experience supporting clients to negotiate, manage and restructure their commercial agreements in Turkey, as well as helping them to deal with corporate governance and business structuring matters.

Sevi works primarily in the information technology sector, helping clients on both sides of early stage and emerging growth financing projects. She also assists during corporate establishments or localisations of start-ups and mid-size information technology companies.

She has notable experience guiding clients to establish new businesses in Turkey, working primarily with technology, e-commerce and consumer businesses to structure and launch their Turkish enterprises or product lines.

Sevi often supports early stage or emerging growth companies with new and innovative business models or products in this context. She has strong expertise assisting clients to understand the reasoning behind a particular legal approach or structure.

Sevi supports clients with all aspects of corporate and commercial law, assisting global companies to negotiate and restructure various contracts and ensure their Turkish operations run smoothly. She also helps with a full range of day-to-day issues, including employment and corporate governance considerations, as well as operational matters such as arranging and changing management, representation or shareholding structures. Sevi also has expertise assisting with regulatory compliance related to currency trading.

Sevi supports a broad range of domestic and international companies, most notably in the technology, telecommunications, industrial and manufacturing, retail and consumer products, as well as pharmaceutical sectors.
