

Turkey Adds World Customs Organization Harmonized System's Classification Decisions to Customs Regime

10 Apr 2017

Turkey's Ministry of Customs and Trade ("**Ministry**") has added the "World Customs Organization Harmonized System's Classification Decisions" to the Customs General Communiqué Serial No: 24, in an effort to ensure uniform enforcement of Turkish Customs Tariffs.

The products that are in the scope of this regulation are stated in the annex of this Communiqué.

The Ministry published the Communiqué in Official Gazette number 29900 on 26 November 2016, entering into effect on the same date.

Please see this [link](#) for the full text of the Communiqué (only available in Turkish).
