

## Turkey Amends the Regulation on the Application of Industrial Property Law and Regulation on the Application of Integrated Circuit Topography

*18 Jul 2019*

With the Regulation regarding Amendment of the Regulation regarding Application of Industrial Property Law published in the Official Gazette dated 8 July 2019 and numbered 30825; in the case of

- Partial renewal of the trademark,
- Partial or complete withdrawal of the trademark application,
- Partial or complete withdrawal of the trademark,
- Withdrawal of the opposition and opposition to the decision,
- Withdrawal of geographical indication and traditional specialties and the audit responsibility,
- Withdrawal of designs,
- Partial renewal of multiple design applications which protection period has expired and
- Withdrawal of the patent application or withdrawal of the patent right,

the obligation of;

- Submitting a notarized signature declaration or its notarized copy, in case the requesting owner is a real person,
- Submitting a notarized signature circular or its notarized copy in case the applicant is a legal entity

is abolished.

Furthermore, with the Regulation regarding Amendment of the Regulation on Application of Integrated Circuit Topography published in the Official Gazette dated 8 July 2019 and numbered 30825; the obligation to submit a power of attorney is abolished in the following cases:

- To record the change of address, title or kind of an integrated circuit topography application or integrated circuit topography registration,
- To transfer the integrated circuit topography,
- If the rights arising from the application or registration of the integrated circuit are transferred by inheritance, to record this,
- To record the license agreement,
- To record the pledge regarding the integrated circuit topography,
- To obtain a copy of the registration certificate.

Furthermore, in case of withdrawal of the integrated circuit topography application or registration; the obligation to

- Submit a notarized signature declaration or its notarized copy (for real persons)
- Submit a notarized signature circular or its notarized (for legal entities)

has been abolished.
