

## Turkey Expanded Scope of Tax Types Payable with Credit Card

*31 Mar 2020*

Within the scope of effective fight against the COVID-19 pandemic, Turkey made it also possible to pay debts up to TRY 50,000 regarding tax types listed below through the Interactive Tax Office application with credit cards of the contracted banks:

- Annual Income Tax
- Agricultural Income Tax
- Income Tax Withholding
- Corporate Tax
- Corporate Tax Withholding
- Small Business Income
- Value-Added Tax in Real Taxation System
- Revenue-Based Value-Added Tax
- Advance Income Tax
- Advance Corporate Tax
- Other Wages
- Value-Added Tax Withholding

Please see this [link](#) for full text of the announcement dated 30 March 2020 of the Turkish Revenue Administration including full list of contracted banks and public receivables payable with credit card (Only available in Turkish).
