Investigation Regarding Imports of "Diocetyl Terephthalate" from South Korea Ended

The investigation was initiated by General Directorate of Imports of the Ministry of Economy upon allegations that the anti-dumping measures applied in dioctyl terephthalate (DOTP) imports from South Korea under tariff code 2917.39.95.90.13 are being disabled through imports of items with the same origin described as "others" under tariff code 3812.20.90.00.00.

Following the investigation, it has been decided to apply the same anti-dumping measure rate as applied in imports of DOTP with tariff code 2917.39.95.90.13; as set forth in the table below, in the imports of "only those including dioctyl terephthalate" among the items described as "others" under tariff code 3812.20.90.00.00 imported from South Korea.

Tariff Code	Item Description	Country of Origin	Company Title	Safeguard Against Dumping (CIF%)
3812.20.90.00.00	Others (only those including dioctyl terephthalate)	The Republic of Korea	LG Chem Ltd.	7,99
			Others	12,57

Communiqué on the Prevention of Unfair Competition in Imports numbered 2019/32 has been published in the Official Gazette numbered 30943 on 9 November 2019, entering into effect on the same day.
